

RESUME

EXPERIENCE

1986-PRESENT
 lawrencehalloffscience.org

Lawrence Hall of Science, University of California, Berkeley :: SENIOR ARTIST FOR PUBLICATIONS & DESIGN. Design, illustrate, manage, and coordinate a variety of science curriculum education publications, and graphic design projects for a hands-on public science museum for children. Job responsibilities: graphic design, publication design, layout, illustration, painting, signage, and photography. Manage entire projects—conceptual phase through production, execution for print and web. Excellent relationships with vendors and a team player with editorial staff, artists, and clients. I also work with and train other artists on staff in technical aspects of design software programs. Complete knowledge of print specification and proofing process. Extensive use and technical knowledge of Adobe Creative Suite CS2+3; InDesign, Illustrator, and Photoshop. Other software programs include: Dreamweaver, Painter, Typestyler, Word, Excel, and PowerPoint. MAC platform. In-house clients: EQUALS, FOSS, GEMS, and SEPUP.
